

Sustainable University of Tübingen

The **CENTRE FOR A SUSTAINABLE UNIVERSITY** has the overarching aim to transform the university into an organisation recognised for its excellence in sustainable development

Research

STRENGTHENS DISCIPLINARY, INTER- AND TRANSDISCIPLINARY RESEARCH FOR SUSTAINABLE DEVELOPMENT

Stocktaking of all research projects focusing on sustainable development

Innovation Fund: Start-up funding for research projects

Promoting research: Preparing research proposals and providing information on funding opportunities

Sustainability Award for excellent Bachelor and Master theses

Operations & Governance

IMPLEMENTS SUSTAINABILITY ACROSS THE CAMPUS AND DEVELOPS APPROPRIATE GOVERNANCE STRUCTURES

Eco-Management and Audit Scheme (EMAS) Certification of University of Tübingen (e.g. use of recycling paper and renewable energy only)

Board for Sustainable Development: Developing a sustainability strategy; sustainability advice for the president's office

Performance indicators for an integrated sustainability reporting

Individual projects: Professional qualification for sustainable event management, etc.

Teaching & Learning

PROMOTES THE KNOWLEDGE, SKILLS, VALUES AND ATTITUDES THAT EMPOWER STAFF AND STUDENTS TO CONTRIBUTE TO SUSTAINABLE DEVELOPMENT

Innovation Fund: Start-up funding for educational projects

Studium Oecologicum: An extracurricular study program for sustainable development open to all students

Capacity building on higher education for sustainable development

Tübinger Curriculum Sustainable Development: A framework that integrates the perspective of sustainable development in all qualification levels

Individual projects focusing on teacher training, summer schools, public sustainability lectures, international exchange programs, etc.

Sustainability Hub

OFFERS A SUSTAINABILITY PLATFORM FOR ALL STAFF, STUDENTS AND EXTERNAL PARTNERS AND INCREASES THE VISIBILITY OF SUSTAINABILITY ACROSS CAMPUS

Participation in regional, national and international sustainability events and networks (e.g. Night of Sustainability)

Organisation of regular events for networking and initiation of collaborations

Administration of sustainability website, production of flyers and press releases

Development of communication strategy for Sustainable University of Tübingen

Sustainable Development CONCERNS ALL OF US

Sustainable Development NEEDS NEW IDEAS

Sustainable Development REQUIRES EDUCATION AND CONSULTANCY

Sustainable Development MEANS GLOBAL JUSTICE, TODAY AND IN THE FUTURE
